RE: CONEG Heavy Metals / California Toxics in Packaging Prevention Act
Certification of Compliance

We certify that packaging and packaging components sold by Utah Paperbox, Inc., dba UPB comply with the requirements of the toxics in packaging laws referenced above.

1. We certify that the regulated metals – lead, mercury, cadmium, and hexavalent chromium – were **not** intentionally added to any package or packaging component during the manufacturing process.
2. We further certify that the **sum of the incidental concentration levels** of lead, mercury, cadmium and hexavalent chromium present in any package or package component does not exceed 100 parts per million by weight.
3. We will maintain adequate documentation of this certification for inspection upon request.
